

PLEDGE DONATION FORM

The recent California revenue cuts have eliminated \$250,000 from NW budget.

New West would not be here without the generous support of our family and friends. The support to continue to provide for our dedicated teachers and staff, the rigorous curriculum, the small class sizes, and the extensive opportunities that inspire our students to learn does come at a cost; a significant cost above the state funding granted to public charter middle schools.

Currently, charter schools, including New West, receive approximately 85% of the state funding received by other public schools, and NO funds are received for our facilities. This year New West will spend \$3000 more than the state provides us for each child at our school. Contributing to the Pledge Campaign is one of the most important ways you can support your child's education.

Our aim is 100% participation. Please help maintain our small classes, high quality core subjects and elective classes like arts, music, drama, P.E, state of the art technology, field trips, and much, much more.

Today's Date: _____

Student's Name: _____ Parent's Name: _____

Home Address: _____ City: _____, CA, Zip Code: _____
