## WE CAN'T U U WTHOUT YOU.

## Because of your financial support, students at New West have the opportunity to flourish in smaller classroom environments with enthusiastic and creative teachers and staff.

It is vital that we receive your support every year as charter schools receive less money per student than those at LAUSD and other school districts. There is an annual need to bridge the gap between the money the state gives us and the actual cost of a student's education at New West.

Every donation, large or small, goes to the greater good...educating and empowering our students and preparing them for the future. Thank you for your investment into our students' success.

Your \$1,250 donation gets a personalization on our Million Dollar Wall in the Commons Area.*
(Recommended amount)

Your \$5,000 donation gets a personalized tile on the Tile Wall in the school's lobby.*
*Is your name already on our wall? You may personalize another tile or donate anonymously. Your gift is needed to maintain the quality education New West provides.
