Disneyland® Resort Grad Nite Policies **Please Read!**

- It is the school's responsibility to ensure that all Students and Chaperones attending Grad Nite arrive at the Disneyland® Resort sober and without drugs or alcohol in their possession. We expect schools to conduct thorough bag checks and Student screenings before allowing Students to board buses for Grad Nite. However, Chaperones and Students will be reminded of our policies when they get off the buses at the Disneyland® Resort.
- In association with the Anaheim Police Department, we will be conducting searches for banned substances that will include bag searches and the use of drug-sniffing canines. If bag searches and/or the drug-sniffing canines indicate the presence of an illegal substance, we will ask the subject Chaperone or Student for permission to conduct a pat-down search.
- If any banned substances are found on the bus or on a Grad Nite participant or Chaperone, the matter will be turned over to the Anaheim Police Department.
- While we want every graduating Senior attending Grad Nite to enjoy the celebration, we also expect those attending to respect other day Guests and Grad Nite Guests with whom they will be sharing the Park. Certain celebratory behavior can be extremely intimidating to other Guests— especially families with small children— and therefore, should only be displayed after the private Grad Nite party kicks off.

The following behaviors are prohibited at Disneyland® Resort and/or the Grad Nite event:

Groups walking and/or running in locked arms (this can appear threatening to other Guests and is a safety concern in impacted areas), Group chanting of any kind (this can be disruptive to other Guests), Yelling at high volumes in attraction queues.

The following behavior is not tolerated at all at the Disneyland® Resort:

Inappropriate touching or physical aggression of any kind, Failure to comply with a request of a Disney Cast Member (our Cast Members are trained to direct our Guests for optimal safety and to comply with our standards of conduct), Inappropriate language, Theft or vandalism, Line jumping in attraction queues, Failure to comply with attraction guidelines

The following items are prohibited from the Park:

Alcoholic beverages or any illegal substance, Glass containers, Outside food or liquids, Weapons of any kind, or objects that appear to be weapons, Laser pointers or other items deemed potentially harmful or disruptive, Smoking, vaping and electronic cigarettes

Dress code: Disney has a strict and extensive dress code. No costumes. See Ms. Borgstrom if you have questions.
