

## NEW WEST CHARTER – OUTREACH REPORT 2020-2021

This outreach report contains demographic information about pupils who applied for the 20-21 school year by demographics and grade level (Table A), and pupils who were selected in the lottery process to be admitted for the 20-21 school year by demographics and grade level (Table B).

The enrollment data shows a significant increase for the Hispanic and Latino category due to our outreach efforts with Brockton Elementary and their preference in the lottery.

Table C is a table of pupils who were newly enrolled for the 20-21 school year by demographics and grade level.
